The Porirua, Kapiti and Wellington Chambers of Commerce, in partnership with BDO, Duncan Cotterill, and Westpac are hosting a roundtable session bringing franchisors and franchise operators from every industry together to discuss the unique challenges you face as a group.

It's been a challenging twelve months - let's get together to chat and enjoy some drinks and nibbles. We've organised for some awesome people to be available to chat about what they offer.

Come along to network with other locals in the franchise industry.
