LOCATION: DUNCAN COTTERILL
LEVEL 2, 50 CUSTOMHOUSE QUAY
WELLINGTON

The Porirua, Kapiti and Wellington Chambers of Commerce, in partnership with BDO, Duncan Cotterill, and Westpac are hosting a roundtable session bringing franchisors and franchise operators from every industry together to discuss the unique challenges you face as a group.

Our Guest Speaker, Nicola Tiffen leads Duncan Cotterill's national immigration team across its five offices. She is a specialised immigration lawyer providing practical guidance to employers, business owners and HR professionals to support migrants with their visas and obtaining immigration accreditation for employers.

Nicola will talk to us about the new compulsory accreditation scheme. This will include a discussion about the franchise-specific accreditation requirements and the practicalities of supporting migrant workers for the new Accredited Employer Work Visas.

Come along to network over drinks and nibbles with other locals in the franchise industry.
